

Your Freight, Our Network, *Delivered.*

Freight Transportation & Logistics

Finding a reliable partner to move your freight doesn't need to be complex.

AGX Freight helps businesses avoid common supply chain problems, such as lack of capacity, confusing billing systems, and lost freight with no accountability. Let us put our network to work for you today, so you can have the advantage of consistent, safe and on-time delivery of your freight.

Experience & Credentials

- Founded in 2016 by Mike Williams and led by a highly experienced senior management team.
- U.S. Customs Bonded Carrier
- EDI Capabilities include 204, 990, 997, 214 & 210
- SmartWay Transport Partner
- AGX is a member of the following associations and groups: Transportation Intermediaries Association, Florida Trucking Association, CargoNet, Transportation & Logistics Council, JAX Chamber and the Transportation Club of Jacksonville.
